## Application of Giada Mini PC in Uruguay Institute

**Location: Uruguay**

**Industry: Collaboration**

### Customer's Voice

"We have thousands of workstations and we have purchased a large amount of mini PCs from Giada. In 2011, we purchased the first batch of Giada PC, and most of them are still running stably after being used for 9 years."

Said the purchasing manager

### Introduction

The institute needed to purchase a batch of mini PCs for daily office work. Because of previous cooperation with Giada, the institute highly appreciated the quality of Giada products. For the large amount of purchases, the institute required Mini PCs with stable performance. They are supposed to be installed easily and support VESA mounting, which saves space and looks nice.
